

ST MARY'S GAMLINGAY, HATLEY  
ST GEORGE & ST MARY'S EVERTON

Weekly newsletter 18 December 2020

Merry  
Christmas

*From Hilary:*

There won't be a Newsletter for the Christmas weekend, but do look out for one the following week when we will know more about January plans. We continue to live very much week to week, expecting that there could be changes to rules on safety though even in Tier 3, at the moment, public worship is still allowed.

And in this, the last newsletter of 2020, A huge **THANK YOU** to.....

**Brenda and Ian** for all the work that has gone into providing this communication over these last difficult 8 months of 2020.

**Alec and Chris** in Gamlingay and **Jane G** (with support from Jane B) in Everton for their support and hard work and (above all) patience during this unprecedented year.

**Jane Orchiston, Alec and others** who have worked so hard to make the fundraising events this end of the year work so well.

**All of you** for when you have hung on, worked hard to keep at least some things going somehow, and been kind and understanding when things have not worked out as well as was intended.

And...

***Norman and Hilary wish all our Benefice friends everything good for Christmas and New Year 2021***

*'May the God of hope fill you with all joy and peace in believing, so that the power of the Holy Spirit may abound in hope'.*

## **Gamlingay Council Christmas Tree**

The tree generously provided by a donor and decorated by village volunteers under the auspices of the Council is lit up after a hiatus resulting from water damage to the external connection for power.

**THANK YOU Johnny** for seeing to the repair and getting us connected again.

---

## **Everton Church Clock**

Watched by school children and interested adults alike, an historic moment saw Everton clock face and hands removed for repair by two abseiling clock experts on Thursday 10th December. The last repair and service was back in the 1950s.

---

## **The Christmas Carol Service this Sunday 20th... on Zoom only**

Congregations are not allowed to sing for safety reasons, so do join in on Zoom and when you can, sing along to your heart's content, as loudly as you like (with microphone on mute!)

### **'Build a Christingle' on line celebration at 4pm on Christmas Eve ...**

.... will have been pre-recorded to be broadcast live on You Tube and Face Book at the published time. Those who register (it's not just for children!) will be able to collect their Christingle Pack from one of the churches, containing materials and instructions for making a Christingle and information on the service. Packs can be delivered in the villages by request.

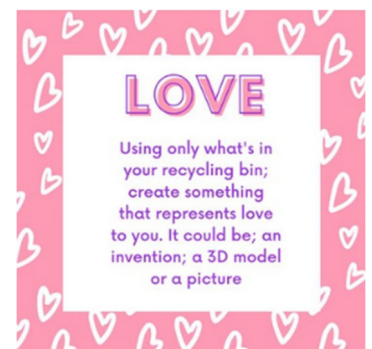

We hope to have a goodly number of people on doorsteps in the villages at 5pm, singing along to 'Silent Night' with their lit Christingles that evening - let us hope and pray that it is dry!

### **Last Advent Study Evening...**

...is on Tuesday at 7.30pm when we are looking at 'Love' with Sandra leading. It is still OK to join even if you haven't done so before - let Chris, Valerie or Hilary know to receive the material and zoom link. You don't need to attend the Zoom to use the written material. We are looking at the Sunday Gospel linked to the weekly theme.

### **Advent with children and families**

Sandra and Abi's videos are going up on the church Facebook sites - this last week the 'Joy' challenge was issued in church. This week we hope to share some of the outcomes, alongside this Sunday's theme of 'Love'. This might be a bit harder than last week for some, I'm looking forward to seeing some adult responses!

### **REPAIRS TO ST. MARY'S CHURCH**

Not wholly unexpected is that the cool weather of the last 10 days has delayed the work a little but more significant is the additional work identified once the parapets were dismantled and the cracks to the buttresses fully opened up. This means that the work will not now be completed before Christmas.

The contractors will shut down this Friday and return on Tuesday 5<sup>th</sup> January and the works are expected to last about 2 weeks. Once again, we would ask you to report any suspicious activity to the police immediately.

Many thanks for your co-operation.

*Alec Hissett.*

### **THE CHRISTMAS ROBIN**

*How did the Christmas robin get its red breast?*

One legend says that it happened in the stable at Bethlehem - before that robins were just little brown birds! Mary, Joseph and baby Jesus were being kept warm by a fire made of sticks. As the fire died down a robin came and fanned the embers with its wings. As the flames reappeared the robin's breast was singed and has stayed red ever since – a mark of its kindness!

**MAY WE ALL EXPERIENCE THE JOY AND KINDNESS OF THE CHRISTMAS ROBIN!**
